1. My Me is upon you now to bring forth that which I have committed to you. I have committed to you My everything, My all, My hiddenness not to anyone of this generation who chooses. All manner of man will call you blessed. Rise and proclaim proclamations of Me not for I am the only venerated. See Me in what I have said day after day and imaged pictures powerful of you/Me emerging in Me/you which you are. We are one and we are powerful and we operate in humility, masked-not, but sincere and death trodden down not, but death surrendered to in life so that death in death suffers death and you/Me emerge Me/you forever and ever and born again are. I love you. I give you Me.

2. See My delight in My Lords of light which blood are, is, for My who want transfusion of only Me into them, in to them to receive Me unto Myself, already being there, released, seen, unclear not, but now transparent and reverberate in only Me. **No shadow**.

3. I turn you on to My wheels of righteousness that spin on humility and humility operate only in, as I designed, no pattern but Mine and Mine is yours. See what I have/just said and declare not to the undiscerning who seek only to demise, diminish and demean that which I am, that which I have given them, that which I reverberate in, in the shadow of My mouth not, I am My word.

4. I kingdom come in My word, My word of righteousness and holiness of which without no man/woman will see Me, see Me, see all of Me in all of them, operating in My design intended, forfeited.

5. Humility and esteeming others above one's self yet leading the My-word revolution you do, crystal of only Me, crystal clear purity of crystal, My heart, My word, My blood coming forth for my all to drink the river of life freely.

6. Where is My Fatherhood? Shall it not come forth?
Where is My Sonship? Shall it not come forth?
Where are My sons to father My sons to fathers become to sons be and fathers become to sons bear in My name?
Come forth Son!
Come forth Father!
Come forth My angels who known not who you are.
Come forth this day! This hour, this moment, this nanosecond not, this nano micro'd nanosecond squared. I love you.

Tell them I love them and declare forth My praises.

Come forth to fourth be not, third be not, second be not, but one, one, The One: Me. Only in humility.

7. My scriptures come forth/revise, reverse not, but proclaim the righteousness holiness and purity of My death'd ones who death have no hold on any longer; death defeated, accursed, and no life in death again, except for the unchosen, those who chose Me-not above all else, elevating their sinful nature in religion and commerce and government, arts and education and all manner of vocations I created to display My fashion and form in cells various and infinite.

8. Think not I came to bring a sword, I came to bring an explosion of righteousness and recognition of who I am, Holiness Unto The Lord, Holiness Unto The Lord, Holiness Unto Me, My Lord, being Holy and all holiness unto My throne, you, surrendered in righteousness holiness and judgment not, to My Father, for all judgment His. I love you.

9. Think it not strange the explosive words which I give and have given and call no man on earth your Father, father, sire-er, or birther, for I alone am your Father, father, sire-er, birther, and My creation you are and no other is, am. I love you.

10. **Call no man on earth your father**, Father of lights I am, you are.
I am the light of the world, you are.
You are Me.
Trust no man with titles erroneous for unto Me see that I am life, light, and father of you, regardless of parentage-thought.
I am Me. I am My creation.
I am the father-daughter-son-mother.
Thought for I am Me and Me art thou?
Comest into Me for birthing rights given only unto your linage in purity humility, baseness none. I will set no evil thing before My eyes, no thing, image of God, angels, or man to deter My mind/soul/spirit/thinker from crystal clear running water of life that purifies and gives life to that which has come forth in Me, you, I Am. I love you.

11. All together in Me you are. See what I have said.

12. De-slag. Be washed. Let, let My word come upon you and washed be from filthiness of evil not, but that which hinders and hinted-not, but shouted, declared, penetrated-not, but perversely proclaimed you were not Me. I love you.

13. Still. I will not relent. You are Melchizedek priesthood unto Me, into Me, are of one accord coming surrendering all unto Me, receiving Me into My self, no shadow, My turning only; all understood and received and rejecting none of My brethren, your brethren, our brethren, one.

14. Fear not My disciples. Fear, My disciple-abhorers, for unto you this day is born a king, in the city of David not, Me, My city, in every nation tribe and tongue, simultaneously, instantaneously, in the twinkling of an eye, circumspherentially and all deeds known, perfected, finished not, before Me is, are and all others, coming forth at light speed not, far faster, no delay; transversing centuries and billions of years and galaxies, far and beyond all time and space which constrains are. I love you.

15. Net My net, My networks which beyond before and after all else is, was, and shall come and be no more not, forever linking My altogether lovely with My lovely altogether. I love you.

I love you.

17. My pens come. My technology comes. My altogether one come of every nation tribe and tongue. I love you. Be ready. Thank you. No surprises except kindness-humility which you lay before My trodden-on, downcast, thrown-out as useless to the system of mammon-thought, not-Me real. Defeated, long ago. I am one.

18. Bring forth the royal robes and diadem My body with My scepter, My lover trusted, trustor, Me-er, and let all know the price and cheat not your brethren with cheap counterfeits. It costs everything, for everything to be given/received.

19. **Cheat not your brethren in cheap compassion, counterfeit for diligence required and death to self-thought for Me to emerge** in sight unseen-not, but visual and full of Glory in My body, operating in every vocation seen and coming; demised not but My kingdom, a royal priesthood, second to none. Alpha and omega known and understood beginning to end and operating in realms thought only for the few and beyond all others. All for My lovely who risk not but trust, trust, trust Me to give them Me, far above all else. Thank you.

20. **Cheat not your brethren with cheap grace** for unto Me is born this day in the City of David, a light on a hill, which cannot be hid; a city coming down, going up, and colliding not but igniting in the fall of Babylon, the excelsior moment of Me, Me, Me falling not, but being seen and executing My Father's command/commandments all, institutionally not, one by one, for every single one is Me and no one is rushed, in total humility/harmony with only Me. I love you.

21. See what I ask.
See what I answer.

I am the Promise. I am you.
Let Me come forth more and more will and Am, and are, and is, and we shall be one, My entire body; labelists dimensioned not but, crossing out over under no longer. I receive My all into My house and My house are. See what I Am have said. I love you.

23. My heaven for a season not, forever beyond forever. I love you.
